Product highlights

Precision Cutting System

Ultra thin heads with slots to shave long hairs and holes to shave the shortest stubble.

Super Lift & Cut® technology

The dual blade system lifts hairs to cut comfortably below skin level.

3D Contour-Following System

The 3D Contour following System allows the individual shaving heads to move, enabling them to closely follow the curves of your face and neck. For a perfectly close shave, even in the difficult to reach areas.

Individually floating heads

Align the razor sharp blades closer to your skin for exceptional closeness.

Washable shaver

The waterproof shaver can be easily rinsed under the tap.
